GOVERNMENT OF KERALA.

Revenue (N) Department

ORDER

No. 1953/N1/73/RD. *Dated, Trivandrum, 10th September 1974.*

Whereas under section 72N of the Kerala Land Reforms Act, 1963 (1 of 1964), a land owner or intermediary which is a religious, charitable or educational institution of a public nature and which has applied for annuity in respect of any holding held by a cultivating tenant under it, is entitled to such annuity from the date notified under sub-section (1) of section 72 of the said Act and the Government are entitled to the purchase price in respect of that holding payable by the cultivating tenant;

And whereas such institution is not entitled to any amount by way of rent in respect of such holding for any period after the said date;

And whereas under section 72(o) of the said Act, any amount paid by way of rent by the cultivating tenant in respect of his holding to the land owner or any intermediary (including a religious, charitable or educational institution of a public nature) for the period after the date of vesting of the right, title and interest of the land owner and intermediaries in respect of the holding in the Government, shall be adjusted towards the purchase price payable by the cultivating tenant and such amount received by the land owner or any intermediary shall be adjusted towards the compensation payable to him under section 72H of the said Act;

And whereas there is no specific provision in the said Act for adjustment of such amount towards the annuity payable to a land owner or intermediary which is a religious, charitable or educational institution of a public nature and consequently, the Government have to pay the annuity in full though they get the purchase price only after deducting the amount paid by the cultivating tenant to such institution;

And whereas such amount received by such institution by way of rent for any period after the date of vesting of its right, title and interest in the Government is not an amount due to it as it is entitled only to annuity from such date;

And whereas difficulty has thus arisen in giving effect to the provisions of the said Act;

And whereas it is necessary to remove the said difficulty;

Now, therefore, in exercise of the powers conferred by section 128 of the said Act, the Government of Kerala hereby order that any amount collected by way of rent from the cultivating tenant of a holding by the land owner or any intermediary which is a religious, charitable or educational institution of a public nature and which is entitled to annuity in respect of that holding, for any period after the date on which its right, title and interest in respect of such holding have vested in the Government, shall be adjusted towards the annuity payable to such institution, either in lump or in instalments as the Government may deem fit, and if such adjustment is not possible, such amount shall be recovered by the Government from such institution under the provisions of the Kerala Revenue Recovery Act, 1968.
